DD Digital PowerDoc at a Glance

Cost Effective & Amazingly Affordable

- DD Digital PowerDoc can quickly pay for itself through improved employee productivity, reduced space dedicated to paper files, and eliminate lost or misfiled patient records.

Saves Time

- DD Digital PowerDoc enables multiple users to import paper documents, organize, and access them simultaneously from multiple locations.

Easy-to-Use/Touch Screen Friendly

- DD Digital PowerDoc's software, powered by ComSquared Systems, makes paper scanning and digital record retrieval easy. Once scanned, easily search the database, click on document and it appears instantly on your screen.

Streamline Billing

- DD Digital PowerDoc helps improve the accuracy and efficiency of claims coding, adjudication and collections processes.

Compliance

- DD Digital PowerDoc assists in achieving compliance requirements such as Sarbanes-Oxley, by securely controlling access to and providing and audit trail of the collected data.

Expand Your Business

- DD Digital PowerDoc protects your investment with a clear upgrade path to future needs. Effortlessly grow from a small business edition to a full enterprise solution supporting scores of users.
